WASHINGTON, D.C. 20250

WEEKLY
SUMMARY

VOL. XIV
NO. 46

August 26, 1985

During the week of August 19-23, the U.S. Department of Agriculture's Agricultural Marketing Service announced 19 commodity purchases totaling 25,674,371 pounds at a cost of \$9,768,655.

The purchases were: frozen beef patties and vegetable protein product; fresh frozen cut-up chicken, bulk pack chicken; canned applejuice, canned tomato juice, canned grape juice, dehydrated potatoes, canned vegetarian beans, canned corn (whole kernel and cream style), canned whole potatoes, canned sweet potatoes, canned carrots, canned spinach, canned applesauce, canned purple plums, canned pears, dry edible beans, and corn syrup. The dry edible beans, vegetarian beans, and whole potatoes were purchased only from small business firms.

Offers were invited for: frozen beef patties and vegetable protein product; fresh frozen cut-up chicken, and bulk pack chicken. Offers for thighs and drumsticks were rejected because offer prices were considered high based on market conditions and also due to insufficient bidder interest.

Those needing additional information should contact the Contracting Officer, Livestock Division - telephone (202) 447-2650; Contracting Officer, Commodity Procurement Branch, Poultry Division - telephone (202) 447-7693; or Commodity Procurement Branch, Fruit and Vegetable Division - telephone (202) 447-4517, (depending upon commodity involved), AMS, USDA, Washington, D.C. 20250.

The AMS food purchase summaries are published by the Office of Deputy Administrator, Commodity Services, Room 3064-South, AMS, USDA, Washington, D.C. 20250. Telephone (202) 447-5231. Distribution is free upon request. To change your address or have your name removed from our mailing list, please send correct information along with the mailing label from a previous issue.
